

## *When booking your appointment..*

It is important to book a bridal consultation before your big day! Our “free” bridal consultation includes a verbal discussion of what style you would like to see for the day of your wedding. This goes for make-up, as well. If you would like to book a “full trial-run” please be sure to specify, when making your appointment.

Full trial Run \$175 | Makeup \$85 | Hair \$90

If you would like to try more than one style, an additional \$20 per style will be added to your consultation. Be sure to let your stylist know, so the proper time can be blocked off for your consultation.

Another thing to keep in mind is, if you/your party are planning on getting mani/pedis, we advise that you make these appointments a day or two before your wedding. Thank You!
